Cysylltu Ogwr Uchaf

Helo, ni yw Dosbarthu Trydan National Grid.

Fel y gwyddoch, efallai, cafodd fferm wynt yn Ogwr Uchaf, ei chaniatáu yn 2022.

Bydd y fferm wynt, a fydd yn defnyddio saith tyrbini i gynhyrchu 25MW o ynni adnewyddadwy bob blwyddyn, yn cael ei hadeiladu uwchben dyffrynnoedd Garw ac Ogwr o fewn ffiniau Cyngor Bwrdeistref Sirol Pen-y-bont ar Ogwr.

Cynigion cysylltiad

Er mwyn pweru'r fferm wynt newydd, bydd 9km o gebl trydanol newydd 66kV yn cael ei osod. Bydd hyn yn cynnwys 4.8km o linellau uwchben y ddaear a 4.2km o geblau tanddaearol.

Bydd y llwybr yn cychwyn ac yn gorffen yn ardal Cyngor Bwrdeistref Sirol Pen-y-bont ar Ogwr, gydag adrannau yn pasio trwy ardal Cyngor Bwrdeistref Sirol Castell-nedd Port Talbot.

Bydd ymgynghoriad anffurfiol ynglŷn â'r prosiect yn rhedeg o 18 Mehefin i 16 Gorffennaf 2025.

Ymunwch â ni ar gyfer digwyddiad galw heibio

Er mwyn ein helpu i baratoi'r ffurflen gais terfynol, rydym yn cyflwyno ein cynigion sy'n dod i'r amlwg i'w hystyried gan y gymuned ac arbenigwyr.

Bydd ein timau profiadol ar gael er mwyn trafod y prosiect ac er mwyn gwrando ar unrhyw gwestiynau sydd gennych chi.

Byddai'n braf eich gweld chi yno!

Dyddiad Dydd Mawrth 1 Gorffennaf 2025

Connecting Upper Ogmore

Hello, we're National Grid Electricity Distribution.

As you may know, consent was granted in 2022 for a wind farm at Upper Ogmore.

The wind farm, which will use seven turbines to generate 25MW of renewable energy every year, will be constructed across the top of the Garw and Ogmore valleys within the boundaries of Bridgend CBC.

Connection proposals

To power the new wind farm, 9km of new 66kV electricity cable will be installed. This will be made up of 4.8km of overhead powerlines and 4.2km of underground cables.

The route will start and finish in the area covered by Bridgend County Borough Council, with sections also passing through Neath Port Talbot County Borough Council's area.

An informal consultation about the project will run from 18 June to 16 July 2025.

Join us for a drop-in event

As we complete studies and prepare the full planning application, we're presenting our emerging proposals for consideration by the community and specialists.

Our expert teams will be available to discuss the project and listen to any questions you may have.

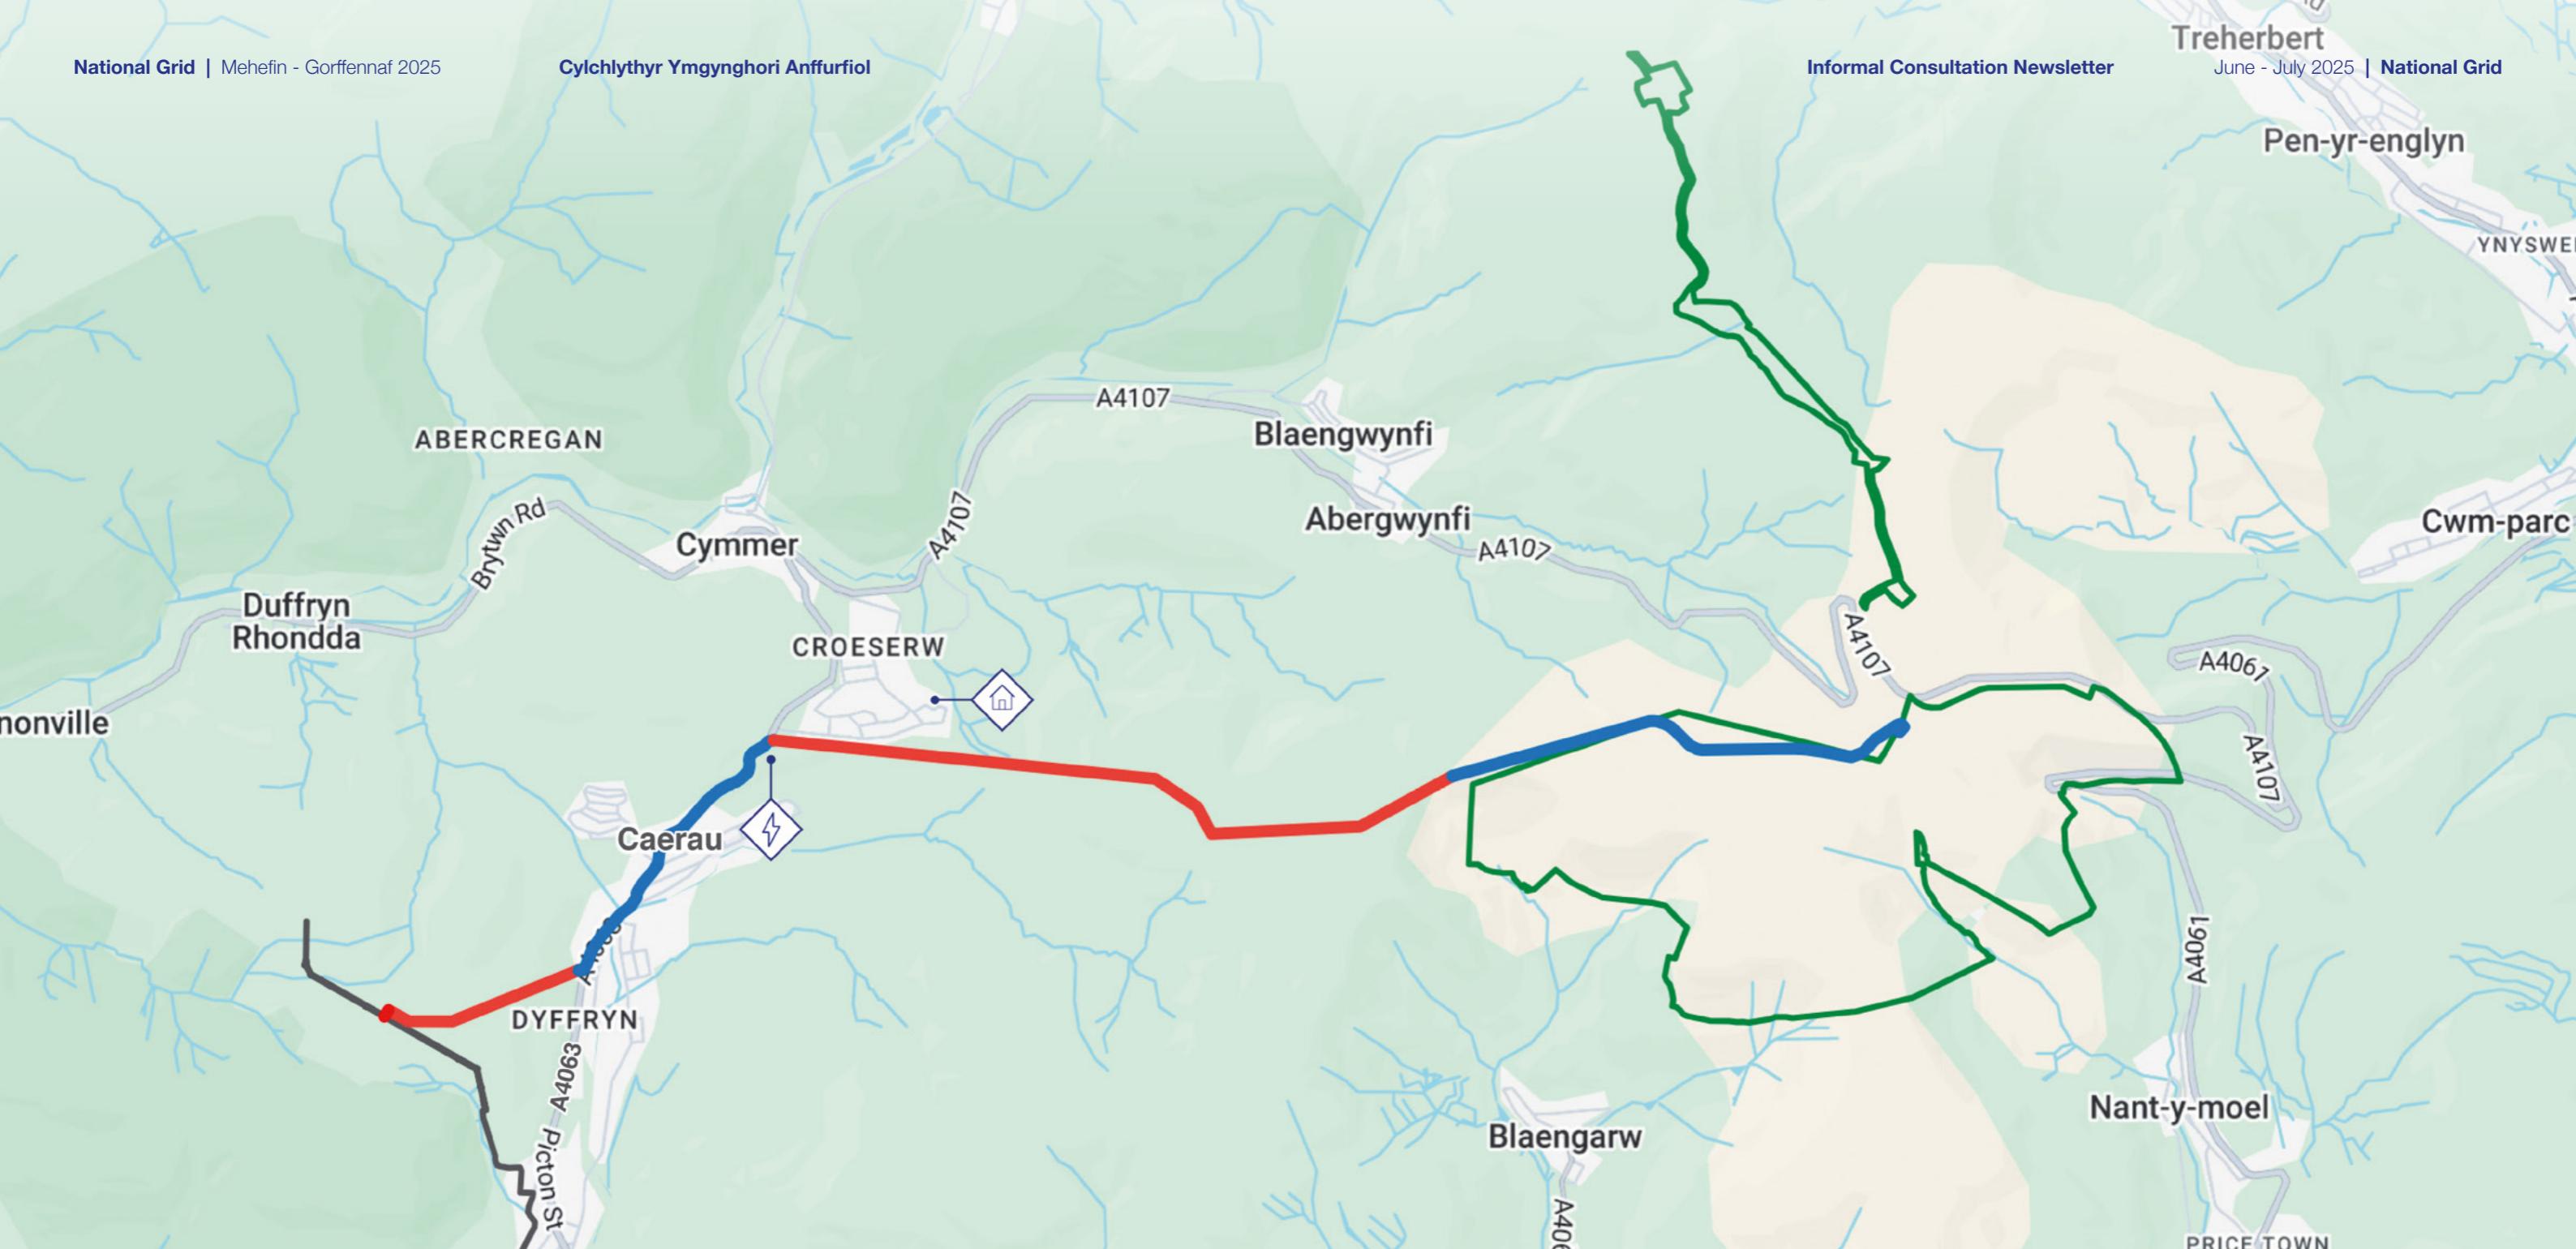

We'd love to see you there!
